By inclusion of any given document in this Information Disclosure Statement, Applicants in no way admit that such document is effective as prior art against the above identified application under either 35 U.S.C. 102 or 35 U.S.C. 103. Additionally, submission of any document is not to be taken as an admission of the materiality of the document to the prosecution of the present application. The Examiner is requested to review each cited document and personally determine its prior art status. Applicants recommend that the Examiner conduct an independent search for any and all available material prior art and independently review the results of such search and the documents cited within this Statement. A completed modified PTO 1449 form listing the documents to which the Examiner's attention is directed and copies of those documents are presented herewith for the Examiner's review and convenience. Applicants request the Examiner, in accordance with 37 C.F.R. 1.97, to indicate and make of record receipt and review of all of these documents by initialing the appropriate box in the accompanying PTO 1449. If the Examiner refuses to consider any or all of the herein submitted materials because it is the Examiner's opinion that this Information Disclosure Statement is not in compliance with 37 C.F.R. 1.97, Applicants respectfully request that the Examiner notify the undersigned, in writing, as to the basis of such opinion. Pursuant to 37 C.F.R. 1.17(p), please charge the \$180.00 fee for filing this Information Disclosure Statement to Kimberly Clark Worldwide, Inc. deposit account number 11 0875.
